This is Keeper. He has
a nursery for baby
wild animals who have
no parents.

The helpers feed the animals, keep them warm and give them medicine when they are sick.

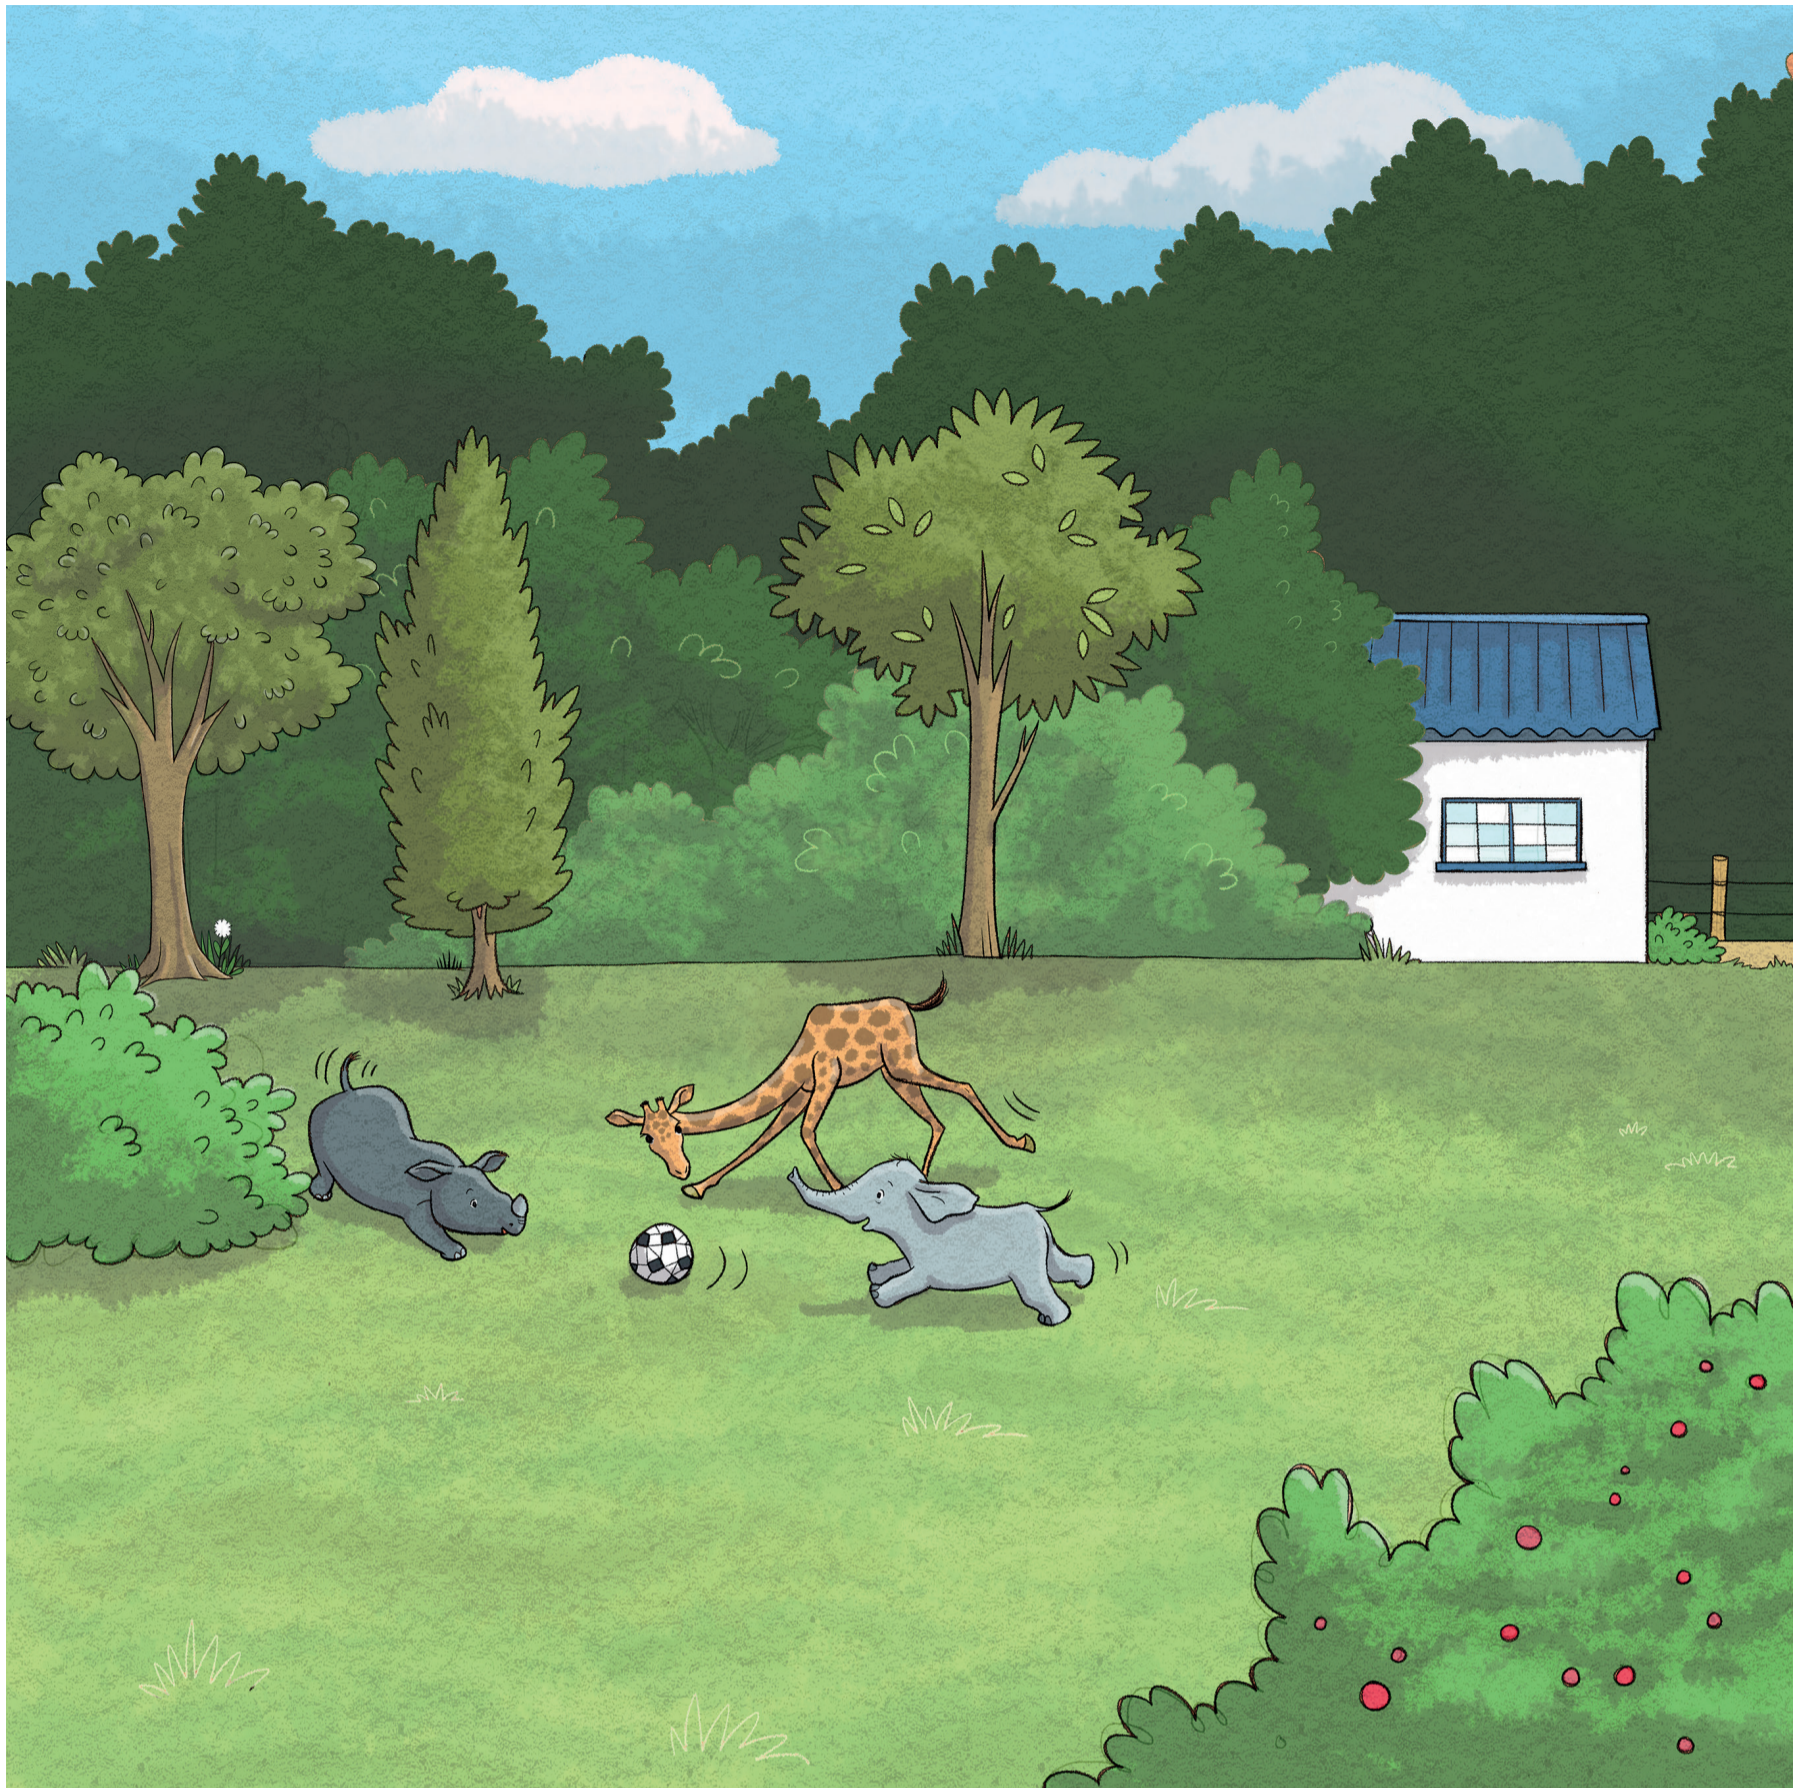

One day, Keeper brought a baby elephant to the nursery. She was very thin and sad. They called her Nandi.

At first Nandi didn't
want to eat and just lay
sleeping under a blanket.

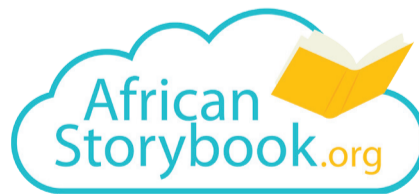

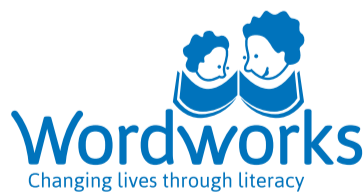

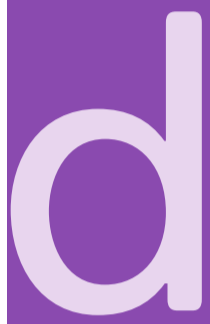

Soon Nandi got stronger and began to play with the other animals. Her best friends were the baby giraffe and the rhino.

Nandi loved splashing in the water. Sometimes she sprayed water at Keeper with her trunk!
