**GAUTENG PROVINCE**  
EDUCATION  
REPUBLIC OF SOUTH AFRICA

**GGT 2030**  
GROWING GAUTENG TOGETHER

Dear Teacher/Practitioner

Welcome to the training of the Grade R teachers/practitioners. The Gauteng Department of Education (GDE) has prioritized Early Childhood Development as its Strategic Goal 1. This is to ensure that we can lay a solid foundation and seamless transitioning of learners to Grade 1.

The Grade R Mathematics and Language Improvement Project has been developed to provide the much-needed classroom based support for the Grade R teachers/practitioners in Gauteng. It is about classroom practices with exciting techniques and methodology most appropriate for Grade R Teaching and Learning. This is in response to a study that reported that 65% of children across South Africa have not mastered the skills required to be able to succeed in Literacy and Numeracy when entering Grade 1. This project is intended to support the Grade R practitioners/teachers to address this challenge.

The Department's expectation is that you are ready to learn and be a more empowered Grade R teacher/practitioner. Your commitment to the training process and thereafter the implementation of lessons learnt in your classroom will contribute to the improvement of Grade R learner readiness for Grade 1.

We trust that this intervention will help enhance your potential, innovation and creativity as you lay an important foundation for learning of our children. This project would not have been possible without the support of our partners. The GDE is grateful for the support of the GEDT, Zenex Foundation and USAID who contributed to this initiative.

I trust you will learn a great deal from this training programme and improve the learning experience of the young children in your care.

Yours Sincerely

Look out for the following:

- ★ a list of what you need to prepare for each two-week story cycle
- ★ a two-week cycle that maps out activities for each day
- ★ a continuous assessment page based on the term's activities to record each learner's progress
- ★ assessment rubrics
- ★ photocopiable activity pages, little books and letter templates.

### Meet Stella

You will see that there is a teacher present throughout this Teacher's Guide. She will keep you company on your learning journey and will often give advice based on her years of experience in the Grade R classroom. She has a special name:

**Strengthening the Teaching of Early Language and Literacy for All.**

For example, the **s** box will contain objects whose names begin with the sound /s/. Use the word lists to help you choose items for the boxes. Label each letter box using the letter templates. It is a good idea to trace the templates onto felt, foam or sandpaper so that children can feel the shape of the letter.

## Teaching Home Language in the Grade R daily programme

The Home Language focus time includes whole class and small group activities every day. Activities are organised in different ways:

- ★ The teacher leads from the front of the class.
- ★ The teacher sits with a small group to guide and engage carefully with learners.
- ★ The teacher explains an activity and asks learners to work more independently in groups.

The two-week cycle on the next page maps out activities for every day, for two weeks. The activities are designed to build on and reinforce the language of the story, and develop important literacy concepts within a meaningful story context. The structure is repeated for each two-week cycle. This routine becomes familiar and benefits both teachers and learners. Teachers become confident to teach in this way and learners feel secure when they know what is expected of them.

## Story

Our story today is about a little girl called Zinzi Madiswa. She is nearly six years old. This is her brother Sam and he is ten years old. They live in a small house with their mother and father and a little dog called Spot. Their address is 7 Pokela Road, Masiphumelele.

Sam and Zinzi go to the same school. Every morning Ma makes them porridge with milk for breakfast. After breakfast, they walk to school. Do you want to hear what happened one day when they were getting ready for school?

One morning Sam was getting dressed for school while Ma was busy making breakfast. Sam put on his grey shorts, white shirt, grey socks and black shoes. Zinzi was still in her pyjamas and she was very worried. Sam looked at her and said: "Zinzi, you can't go to school in your pyjamas! Where is your school dress? Hurry up or we'll be late!"

"I know it's late," she said. "But I can't find my green dress." Where could it be? They looked under the bed and behind the door, but they could not find the green dress.

Oh dear, poor Zinzi! She was so worried and felt like crying. Just then, Zinzi and Sam heard a noise. "Ruff ruff." It was very soft and they had to listen carefully. "What is that? It sounds like Spot. Where is he?" Zinzi asked.

"Shh! Let's listen again," Zinzi said. They listened carefully and heard: "Ruff ruff." Sam said: "That's Spot! But where is he?" They listened again. "Ruff ruff." The sound came from the cupboard in the passage. Zinzi ran to the cupboard and opened the door. She found Spot inside the cupboard and, oh no, he was lying on her dress!

Zinzi picked up Spot and said: "Spot, how did you get locked in the cupboard? And, oh no, look at my dress!" Sam picked up the green dress and shook it like this. Zinzi looked at her dress and she began to feel much better.

Zinzi put on her dress and then the children ate their breakfast very quickly. They washed their hands, put on their masks and waved goodbye. Zinzi and Sam ran to school as fast as they

could and got there just as the school bell was ringing for the children to line up. They were so happy that they were not late!

**And that is the end of the story.**

- Puppets: Zinzi, Sam, Mr and Mrs Madiswa, Spot, green dress, pyjamas
- Props: a green dress or piece of green material, pyjamas, an old box for a cupboard
- Objects or picture cards for words on the vocabulary list

#### Stella says:

Read the story to yourself a few times. Practise telling the story at home before doing it in front of the class. The more confident you feel, the easier it will be to tell the story naturally. You don't have to learn the words of the story – you can tell the story in your own words.

## Week 1 Day 1

### Whole class activities

Say the rhyme *Two eyes to see* to bring learners to the mat for story time.

### Storytelling and building vocabulary

#### 1 Before you tell the story

- 1.1 Tell learners the title of the story and introduce the characters using the puppets.
- 1.2 Relate the story to learners' lives: Talk about how old they are, whether they have brothers or sisters, where they live, how they get to school, what they wear to school.
- 1.3 Say: "*Before we begin, I want to tell you the meaning of some new words which we will find in the story.*" Discuss the keywords from the vocabulary list, and show learners an object or a picture or do an action to show them what a word means. For example: Make a worried face and ask learners to show you how they look when they are worried. Ask learners to say the word in their own language if they speak a different language at home.

#### 2 While you tell the story

- 2.1 Tell the story in a lively way and use different voices.
- 2.2 Do actions and make use of the puppets and props.

#### 3 After you tell the story

- 3.1 Ask learners: "*What did you like about the story? What didn't you like? What was your best part? What questions do you have about the story?*"

#### Two eyes to see

## Week 2 Day 4

### Whole class activities

#### Read and do

- 1 Ask learners to stand up and follow your lead. Point to a part of your body, for example, your head. Ask learners what we call this part of our body and say the word "head".
- 2 Do this for the different parts of their body: head, hair, ears, eyes, nose, mouth, chin, neck, shoulders, arms, elbows, hands, tummy, legs, knees, feet.
- 3 Let them touch their own arms and legs to see how they feel – are they long, round, soft or hard?
- 4 Show learners a sheet of paper with a drawing of Zinzi in her green dress. Point to the top of the page where Zinzi's name is written.
- 5 Show learners the large sheets of paper and encourage them to "read" their name. Support learners who are unable to recognise their name.
- 6 Ask them what picture they think should be under their name. The answer is a picture of themselves, of course!
- 7 Tell them they are going to use the whole page to paint a picture of themselves and the clothes they are wearing.
- 8 Let learners look at themselves in a full-length mirror or look carefully at their friend.

- 3 Do this for the different items of clothing: shoes, socks, skirt, shorts, shirt, jersey.
- 4 Give each learner a blank page and make sure there are enough coloured crayons for a group of learners to share.
- 5 Explain to them that they must draw their favourite item of clothing and colour it in the correct colour.
- 6 After they have coloured in their clothes, they must cut out the picture they have drawn.
- 7 When everyone is finished, learners must name the item of clothing they have drawn and give it to you to hang on the washing line.

# ★ Run Lindi Run

## Story

Once upon a time, there was a girl called Lindi who lived with her mother, her granny and her little brother, Paul. Lindi's body was healthy and strong, and she liked to play all sorts of games, but most of all she loved to run. She ran from her house to the river. She ran from the river to the shop. She ran from the shop to her favourite auntie. "Run Lindi run!" shouted all her friends. Lindi even ran and jumped into bed every night, after she had brushed her teeth.

One day, Lindi's mother said to her: "Lindi, I know how much you love to run. Tomorrow there is going to be a race starting at Mr Ibrahim's shop. Would you like to run in the race?" Of course Lindi said yes! She was very excited and went to bed early so she could have a good rest and be strong for the race. In the morning, she woke up early and ate a bowl of warm porridge with milk for breakfast. It was going to be a hot day, and Lindi remembered to drink some water before the race.

After breakfast, Lindi went down to Mr Ibrahim's shop and joined all the children kneeling in a line, ready to race. Mr Ibrahim said: "On your marks, get set, go!" And off Lindi ran! She ran like the wind! She ran and ran like she had never run before. "Run Lindi run!" shouted Paul, jumping up and down.

When she stopped running, Lindi heard everyone cheering. She felt happy and strong. Mr Ibrahim came up to her and gave her a medal. "Well done, Lindi! You ran as fast as you could! You were the first to finish the race!"

When Lindi went home after the race, she wore her shiny new medal. "Well done, Lindi, well done!" cheered her family.

Granny said: "Lindi, I am proud of you. You practise running every day and now you won the race! Your body is healthy and strong, and running is your special talent."

***And that is the end of the story.***

- Story: Run Lindi Run
- Puppets: Lindi, Paul, Mr Ibrahim, Lindi's granny, Lindi's mom
- Props: white shirt for shopkeeper's coat, rope or string for the finishing line, medal
- Objects or picture cards for some of the words from the vocabulary list

### Stella says:

In the words "Lindi, lontsongo, leswaku, lulamele", the focus sound is /l/ and this is also the beginning or first sound in the word. In African languages, the first sound in a word is often a vowel, as all nouns are written with an article that is a vowel. In this programme, we have decided to use the word "focus sound", rather than beginning sound.

## Week 1 Day 1

### Whole class activities

Say the rhyme *Two eyes to see* to bring learners to the mat for story time.

### Storytelling and building vocabulary

Say the rhyme *Two eyes to see* to bring learners to the mat for story time.

#### 1 Before you tell the story

- 1.1 Tell learners the title of the story and introduce the characters using the puppets.
- 1.2 Relate the story to learners' lives by asking: "*Who likes to run? Where do you run? Have you ever run in a race before?*"
- 1.3 Say: "*Before we begin, I want to tell you the meaning of some new words which we will find in the story.*" Discuss the keywords from the vocabulary list, and show learners an object or a picture or do an action to show them what a word means. For example: Ask a learner to stand next to you and pretend to run a race together (just a few steps!). Talk about the start of the race, the finish and who the winner was.

#### 2 While you tell the story

- 2.1 Tell the story in a lively way and use different voices.
- 2.2 Do actions and make use of the puppets and props.
- 2.3 Ask learners to predict what happens next in the story and involve them through open-ended questions, such as: "*How do you think Lindi felt when she was lining up to start the race? How do you think Lindi felt when she won the race?*"

#### 3 After you tell the story

- 3.1 Ask learners: "*What did you like about the story? What didn't you like? What was your best part? What questions do you have about the story? Lindi was good at running. It was her special talent. What are you good at?*"

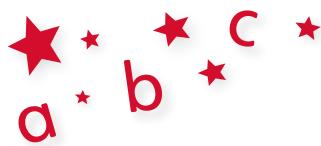

### Introducing a sound from the story

- 1 Ask learners to sit on the mat and listen carefully to you. Say these words from the story: "*Lindi, loyi loko, laha, le, lontsongo, leswaku, lowu, lava, lulamele, lunghekani, leyintshwa. Can you hear the focus sound: Lindi, lontsongo, leswaku, lulamele? Yes, you are right! They all have the sound /l/.*"
- 2 "*Listen carefully, here are some more words with /l/: lala, loloha, leha, lofo, luka, luma.*" (Emphasise the focus sound as you say these words.)
- 3 Say the sound /l/ clearly and tell learners to watch your mouth.
- 4 Ask learners to say the sound /l/: "**I-I-I**". Make this fun: Say it softly, loudly, to the wall, to the ceiling and to each other.

### Two eyes to see

Two legs to walk and run;

#### You will need:

- Puppets for the story
- Music and props or pictures for the song

## Week 1 Day 2

### Whole class activities

#### Storytelling and singing

- 1 Begin by reminding learners of the meaning of words that you introduced on Day 1.
- 2 Retell the story using the puppets. Ask questions as you tell the story. Encourage learners to predict what will happen next.
- 3 Tell learners you are going to teach them a new song to go with the story.
- 4 Say a few lines of the song clearly and slowly, and then ask learners to join in and sing together with you. It may be difficult for learners to remember all the words, so teach the song in parts.
- 5 Have pictures or props or do actions to help learners understand the language of the song.
- 6 Teach learners the actions for the song and have fun singing in more than one language.

#### Stella says:

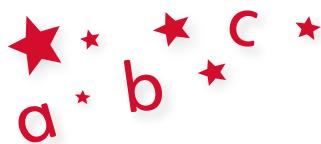

Formal handwriting practice is part of the Grade 1 curriculum; it is not appropriate for Grade R learners. However, it is important that learners are taught how to form letters correctly. You can do this in a relaxed and fun way by using these creative, multisensory activities and encouraging learners to write letters as big as they can.

### Forming the letter

- 1 Remind learners of the focus sound. Ask learners if anyone's name starts with /l/ or if they can think of any other words that start with the sound /l/.
- 2 Teach learners an action associated with the sound. For example: Learners can stand on their toes and reach up as high as they can to see how tall they can be.
- 3 Show learners how to write the letter **I**. Praise their attempts, then write a large letter on the board or in the air while saying the following: "Start at the dot, go down."
- 4 Let learners practise the letter formation in the air, on the carpet, on each other's backs or on their hands. They can also try using their bodies to make the letter.
- 5 Once you have modelled how to write the letter, go outside and encourage learners to use a stick to write the letter in the sand.
- 6 Encourage learners to say the sound the letter makes as they write the letter.

### U ta lava:

## Week 1 Day 3

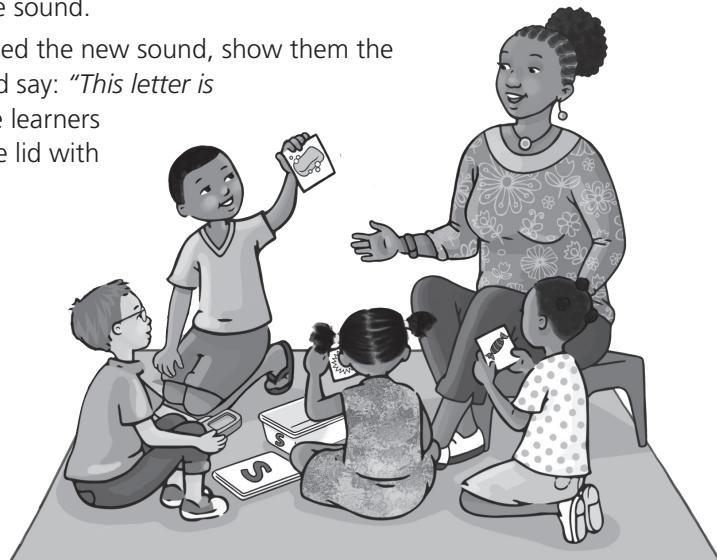

### Whole class activities

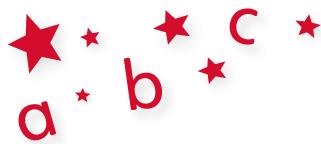

#### Storytelling and role play

- 3 Choose learners to play the characters in the story.
- 4 Talk about each character in the story. Tell learners who they are going to be in the role play and show them the props that will be used to tell the story.
- 5 Explain to learners that you (the teacher) are going to be the storyteller, also known as the narrator. The acting learners are going to act out everything you say. Help them to organise where they are going to stand.

- 7 If there is time, you may want to repeat the role play with different learners.

#### Letter boxes

- 1 Ask learners to sit on the mat and show them the objects and pictures in the letter box one at a time. Ask them for the names of the objects. If there are learners who speak different languages, ask them to tell the class what they call the object in their home language. Then give the word in the language of instruction. Let them hold the objects or pictures and pass them around.
- 2 Ask questions about the objects: "Have you seen one of these? What do we use this for? What colour is it? How does it feel?"
- 3 Say the names of the objects while emphasising the focus sound, for example: **I**amula, **I**epula, **I**etasi. Ask learners if they can hear the focus sound.
- 4 Ask learners to say the name of each object and emphasise the focus sound when they say the words. Use a mirror so that they can see how their mouths move when they make the sound.
- 5 Once learners have practised the new sound, show them the letter on the letter box and say: "This letter is how we write **I**." Let some learners trace over the letter on the lid with their fingers.

## Week 1 Day 4

### Whole class activities

#### Sequencing pictures

1 Sing the song again.

2 Introduce new words from the vocabulary list.

3 Choose one of the sequence pictures and hold it up. Ask learners what they see, then talk about the picture in detail.

4 Once you have discussed each picture, stick it on the board so learners can see it. Make sure the pictures are not in sequence at this stage of the activity.

5 After talking about all the pictures, ask learners: "Are the pictures in the correct order?"

6 Ask learners to point out the picture for the beginning of the story. Work together to arrange the sequence of the pictures so the story makes sense.

7 Keep learners actively involved in this process. Ask questions like: "What happened next? Who can remember the next part of the story?"

8 When the pictures are in the correct order, invite a few learners to retell the story in the correct sequence.

#### Listening for focus sounds

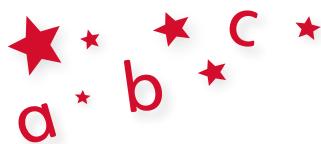

1 Tell learners they are going to sit in a circle and pass the bean bag around.

2 The learner holding the bean bag must say their name while everyone listens.

3 Ask the class what sound each name starts with. Once learners have answered, repeat the name and the beginning sound, like this: "Yes, Sindi's name starts with the sound /s/." The learner can then pass the bean bag.

**Variation:** Play some gentle music in the background. Stop the music every now and again. The learner holding the bean bag must say their name and the sound it starts with.

## Week 2 Day 3

### Whole class activities

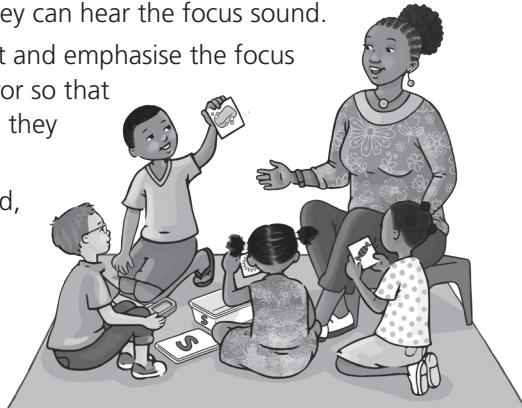

#### Learning to listen

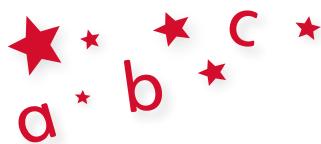

- 1 Seat learners at tables and settle everyone down so that the class is quiet and calm.
- 2 Begin today's listening activity by saying: "*Let's close our eyes and be quiet for a few minutes while we listen carefully to the sounds around us.*" Now tell learners to open their eyes and talk about the sounds they heard. Talk about which sounds are near/close to them (louder) and which ones are far away (softer). Tell learners that they are going to do an activity where they must listen carefully to what you say.
- 3 Ask learners to nod their heads when you make a true statement. Try a few examples together first: Lindi can run (nod head); A dog can run (nod head).
- 4 Explain to learners that when they hear something that is not true, they must shake their heads from side to side. For example: Lindi can fly (shake head); A table can fly (shake head). Now mix up the examples and remind learners to only nod for true statements.
  - ★ A boy can run. (nod head)

If there are learners who speak different languages, ask them to tell the class what they call the object in their home language. Then give the word in the language of instruction. Let them hold the objects or pictures and pass them around.
- 2 Ask questions about the objects: "*Have you seen one of these? What do we use this for? What colour is it? How does it feel?*"
- 3 Say the names of the objects while emphasising the focus sound, for example: otsi, ovhene, oyili, omisa. Ask learners if they can hear the focus sound.
- 4 Ask learners to say the name of each object and emphasise the focus sound when they say the words. Use a mirror so that they can see how their mouths move when they make the sound.

- Jumbo wax crayons and/or paint
- A punch for making a hole on the edge of the paper plate
- String

## Week 2 Day 4

### Whole class activities

#### Read and do

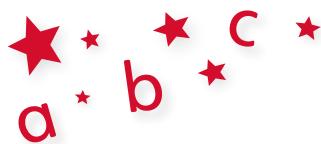

- 1 Use small paper plates or draw circles on cardboard and cut out. Write each learner's name on the cardboard or paper plate and use a punch to make a small hole on the top edge of the cardboard or paper plate.
- 2 Ask learners if they remember what Lindi was good at – yes, running! Go around the class and ask each learner what they are good at (what is their special talent?).
- 3 Let each learner look for the cardboard or paper plate with their name. In the middle of the cardboard or paper plate, they must draw a picture of themselves doing something that they are good at. This will be their medal or rosette.
- 4 While learners are decorating their medal or rosette, thread a piece of string through the hole. Make sure the string is long enough to loop over the learner's head and then tie a knot.

#### Listening for focus sounds

# ★ Ali and the paint

## Story

Today I would like you to meet Mr and Mrs Ibrahim. They own a shop selling many interesting things. (Do you remember Lindi's race started from Mr Ibrahim's shop?) One day Mrs Ibrahim came home with presents for her two children, Musa and Ali.

She took Ali's present out of her bag. It was a big, round shape. Mrs Ibrahim read the card. It said: "Dear Ali, Love from Mommy and Daddy." What do you think was in the present? Ali opened his present. It was a lovely red ball. Ali said: "Thank you, Mommy!" and he took the ball and went outside to play.

Musa looked at his present. It was a box with a square shape. Mrs Ibrahim read the card. It said: "Dear Musa, Love from Mommy and Daddy." He took the square shaped present and opened it and this is what he found. There was a

paintbrush and four jars of paint – red, yellow, blue and green. Musa was so happy because he loved to paint pictures. He said: "Thank you, Mommy. I will paint a picture for you and Daddy."

When he had finished painting, Musa put the paints back in the box and went outside to play with his friends. While he was out, something happened. Ali came inside and saw the box on the table. He wanted to see what was inside the box so he pushed the chair next to the table and ... what do you think he did? Ali climbed onto the chair and then onto the table. Then he opened the box and took out all the paints.

And what do you think he did next? Ali opened the green paint and he rubbed some of it on his nose. Show me how he rubbed green paint on his nose. Then he opened the red paint and rubbed some of the red paint on his tummy. Show me how you rub red paint on your tummy. Then he opened the blue paint and rubbed the blue paint all over his toes. Can you wiggle your toes?

Now little Ali had green paint on his ... nose; red paint on his ... tummy; and blue paint on his ... toes. Do you know what colour paint was left in the box? Yes! The yellow paint was left in the box. But Ali did not take the yellow paint because just then Mrs Ibrahim came in and she saw him.

Ali laughed and clapped his hands. Mrs Ibrahim said: "Ali! What are you doing?" She sounded quite cross. But then she smiled and said: "Your nose is green. Your tummy is red. Your toes are blue. And I love you!"

Mrs Ibrahim took Ali outside and she washed his nose, his tummy and his toes. Then she put the paints inside the cupboard so Ali could not get them again.

***And that is the end of the story.***

- 4 Say a few lines of the song clearly and slowly, and then ask learners to join in and sing together with you. It may be difficult for learners to remember all the words, so teach the song in parts.
- 5 Have pictures or props or do actions to help learners understand the language of the song.
- 6 Teach learners the actions for the song and have fun singing in more than one language.

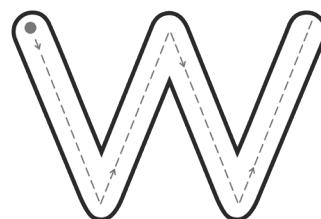

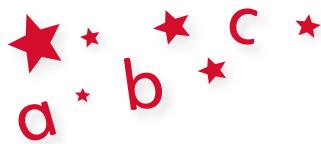

### Forming the letter

- 1 Remind learners of the focus sound. Ask learners if anyone's name starts with /w/ or if they can think of any other words that start with the sound /w/.
- 2 Teach learners an action associated with the sound. For example: Learners can look at their wrist and pretend to be checking the time on a watch.
- 3 Show learners how to write the letter **w**. Praise their attempts, then write a large letter on the board or in the air while saying the following: "Start at the dot, go down, up, down and up."
- 4 Let learners practise the letter formation in the air, on the carpet, on each other's backs or on their hands. They can also try using their bodies to make the letter.
- 5 Once you have modelled how to write the letter, encourage learners to use a stick to write the letter in the sand.
- 6 Encourage learners to say the sound the letter makes as they write the letter.

If there are learners who speak different languages, ask them to tell the class what they call the object in their home language. Then give the word in the language of instruction. Let them hold the objects or pictures and pass them around.

5 After talking about all the pictures, ask learners: "*Are the pictures in the correct order?*"

6 Ask learners to point out the picture for the beginning of the story. Work together to arrange the sequence of the pictures so the story makes sense.

7 Keep learners actively involved in this process. Ask questions like: "*What happened next? Who can remember the next part of the story?*"

8 When the pictures are in the correct order, invite a few learners to retell the story in the correct sequence.

# ★ A beautiful day

## Story

It is a beautiful Saturday morning and the sun is shining into Nicholas's window. Nicholas wakes up, stretches and says: "It's a sunny day today, and I have a plan!" Nicholas finds his mother and asks: "Mommy, can we go for a picnic today? And can my friend Jacob come too? And what about my dog, Fluffy?" Mommy asks Daddy and he says yes. Mommy packs the family's favourite food into the picnic basket and Daddy says he will carry it.

Daddy, Mommy, baby sister, Nicholas, Jacob and Fluffy the dog all walk down the hill. They talk happily about the games they will play in the river.

When they get to the river, Daddy says: "Let's sit here so that we can see you playing in the water and your sister can crawl in the grass."

Nicholas, Jacob and Fluffy run and jump into the cool water. Splash, splash, splash! "Let's chase each other," says Jacob.

After lots of playing, the boys get out of the water because they are so hungry. They sit on the blanket with Mommy and Daddy. They all eat tomato and cheese sandwiches and bananas and apples and they drink fruit juice. Mommy gives Fluffy one of her sandwiches, he is hungry too! Baby sister tries to eat flowers. Daddy says: "No my darling, you can't eat flowers!"

It is getting late. The children have had a fun day and are feeling tired. It is time to go home. Everyone helps to tidy up. The boys fold the blanket, Mommy puts the baby on her back and they all walk home. "Good bye, Nicholas. Thank you for a fun day," says Jacob. "Go well, Jacob," answers Nicholas.

It is dark outside and the sky is full of stars, time for the family to sleep. Soon Nicholas and Fluffy are fast asleep and dreaming of their fun day out.

***And that is the end of the story.***

## Week 1 Day 3

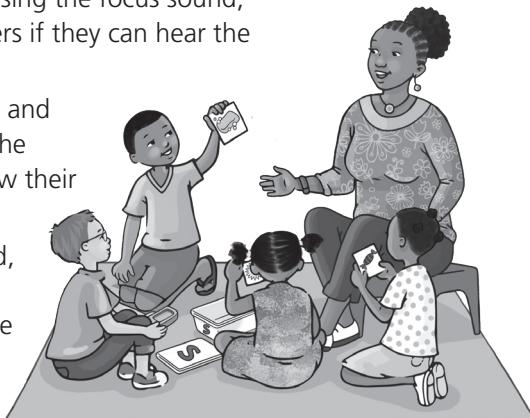

### Whole class activities

#### Storytelling and role play

- 1 Sing the song.
- 2 Ask learners if they can remember the meaning of words from the vocabulary list. For example: "When learners jumped into the river, they made a big ... Yes, the word is 'splash'."
- 3 Choose learners to play the characters in the story.
- 4 Talk about each character in the story. Tell learners who they are going to be in the role play and show them the props that will be used to tell the story.
- 5 Explain to learners that you (the teacher) are going to be the storyteller, also known as the narrator. The acting learners are going to act out everything you say. Help them to organise where they are going to stand.
- 6 Start telling the story and encourage learners to do the actions to match your words while the rest of the class watches the role play.
- 7 If there is time, you may want to repeat the role play with different learners.

#### Letter boxes

- 1 Ask learners to sit on the mat and show them the objects and pictures in the letter box one at a time. Ask them for the names of the objects. If there are learners who speak different languages, ask them to tell the class what they call the object in their home language. Then give the word in the language of instruction. Let them hold the objects or pictures and pass them around.
- 2 Ask questions about the objects: "Have you seen one of these? What do we use this for? What colour is it? How does it feel?"
- 3 Say the names of the objects while emphasising the focus sound, for example: sekwa, sokisi, saka. Ask learners if they can hear the focus sound.
- 4 Ask learners to say the name of each object and emphasise the focus sound when they say the words. Use a mirror so that they can see how their mouths move when they make the sound.
- 5 Once learners have practised the new sound, show them the letter on the letter box and say: "This letter is how we write **s**." Let some learners trace over the letter on the lid with their fingers.

## Week 1 Day 4

### Whole class activities

#### Sequencing pictures

- 1 Sing the song again.
- 2 Introduce new words from the vocabulary list.
- 3 Choose one of the sequence pictures and hold it up. Ask learners what they see, then talk about the picture in detail.
- 4 Once you have discussed each picture, stick it on the board so learners can see it. Make sure the pictures are not in sequence at this stage of the activity.
- 5 After talking about all the pictures, ask learners: "*Are the pictures in the correct order?*"
- 6 Ask learners to point out the picture for the beginning of the story. Work together to arrange the sequence of the pictures so the story makes sense.
- 7 Keep learners actively involved in this process. Ask questions like: "*What happened next? Who can remember the next part of the story?*"
- 8 When the pictures are in the correct order, invite a few learners to retell the story in the correct sequence.

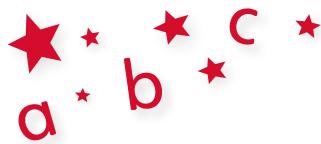

#### Listening for focus sounds

- 1 Explain to learners that you are going to play "*I spy ...*" with puppets and props from the story *A beautiful day*. Let them look at the displayed puppets, objects and pictures.
- 2 Choose something from the story without telling learners what you are thinking of. Then, very clearly, give learners the first sound of the word as a clue. For example: If you are thinking of a "banana", say: "*I spy with my little eye something that starts with /b/*."
- 3 Learners must look at the display for things that start with that sound. If they guess "banana" correctly, it is their turn to look for something and say: "*I spy ...*".

## Week 1 Day 5

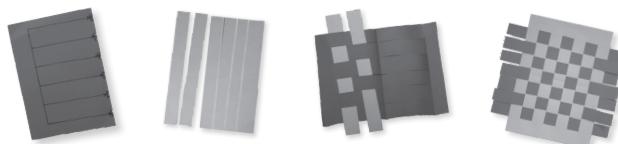

### Whole class activities

#### Make, draw and write

- 1 Retell the story using the puppets.
- 2 If possible, bring a blanket to show the class, or show learners pictures of different blankets. Talk about the different patterns and/or colours on the blanket.
- 3 Explain to learners that they are going to create their own picnic blanket by drawing it on a piece of paper.
- 4 Once learners have completed their "blanket", they can draw or cut out pictures of picnic foods from magazines or brochures and paste the pictures onto their blanket.

- 2 Give each learner a folded **Picnic blanket activity page** as well as a **Weaving strips activity page**.
- 3 **Picnic blanket activity page:** Show learners how to cut along each dotted line on the activity sheet while it is folded. Make sure they stop cutting at the solid line. Learners open up this page once they have finished cutting.
- 4 **Weaving strips activity page:** Learners colour in the strips and cut them up.
- 5 Demonstrate how to weave the coloured strips over and under the slits that have been cut on the picnic blanket activity page. Each strip needs to be woven through alternate slits to create a weave.
- 6 When learners have completed their "picnic blanket", they can cut out pictures of picnic foods from magazines or brochures and paste the pictures onto their blanket.

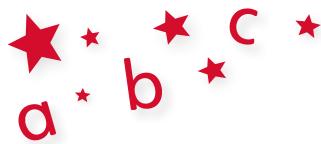

#### Blending and segmenting (syllables)

- 1 Ask learners to sit on the mat. Say one of the words from the list of multisyllabic words and model how to break it into syllables, for example: **pi | ki | ni | ki**.
- 2 Choose a learner to stand up and jump for each of the syllables: **pi** (one jump) **ki** (one jump) **ni** (one jump) **ki** (one jump). Ask the learner to jump again, and this time learners must clap for each jump.
- 3 Let learners take turns to listen to a word on the list and jump as they break it into syllables.

#### You will need:

- Big sequence pictures
- Photocopied and folded little book for each child

## Week 2 Day 1

### Whole class activities

#### More sequencing pictures

- 1 Begin with learners sitting on the mat. Choose learners to stand in front of the class, each holding one of the colour sequence pictures (not in the correct order).
- 2 Ask learners if the pictures are in the correct order. Ask them to point out the picture which should be at the beginning of the story.
- 3 Together as a group, ask learners who are holding the pictures to move around until the story makes sense. Ask questions such as: "Who can remember what happened next?"
- 4 Once you have sequenced the story, learners must move to their tables.
- 5 Give each learner a little book. Encourage them to look at the cover and read the title of the story with them.
- 6 Take learners on a picture walk through the little book, helping them to notice that the pictures in the book are the same as the sequence pictures.
- 7 If there is time, learners can "read" their little book to a partner in the class. Encourage learners to take the books home to read with their families.
- 8 Encourage learners to take the books home to read with their families.

#### Stella says:

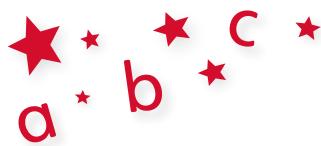

You can focus on letters and sounds at any time in your everyday routine, particularly during outdoor play and transition times (lining up outside the toilet; preparing for lunch time and so on). Use opportunities to point out letters in the environment and ask learners what letters they see around them. This helps learners to see how we use letters as clues to read things around us.

#### Introducing a sound from the story

- 1 Ask learners to sit on the mat and listen carefully. Say these words from the story: "u, kungu, wu, ku. Can you hear the focus sound: **kungu, wu, ku?** Yes, you are right! They all have the sound /u/."
- 2 "Listen carefully, here are some more words with /u/: Musumbhunuku, nkulu, kununu, buruku, xithuthuthu, vuvuvulu." (Emphasise the focus sound as you say these words.)
- 3 Say the sound /u/ clearly and tell learners to watch your mouth carefully.
- 4 Ask learners to say the sound /u/: "**u-u-u**". Make this fun: Say it softly, loudly, to the wall, to the ceiling and to each other.

### Small group activities

### Whole class activities

#### Shared reading – Big book

- 1 Encourage learners to look at the cover picture and talk about what they see and recognise.
- 2 Read the title of the story to the class. Point to each word as you read. Read it again and ask learners to read with you.
- 3 Take learners on a picture walk through the book, discussing the pictures and encouraging learners to ask questions.
- 4 Point out the page numbers and talk about what number will come next.
- 5 When you have “walked” through the whole book, go back to the beginning and read the title again. Then turn the pages and read each sentence in a clear and natural voice. Point to each word as you read.
- 6 Read the book again and encourage learners to read with you.

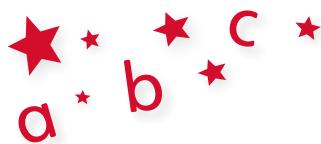

#### Forming the letter

- 1 Remind learners of the focus sound. Ask learners if anyone’s name starts with /u/ or if they can think of any other words that start with the sound /u/.
- 2 Teach learners an action associated with the sound. For example: Learners pretend to be riding a motorbike while saying “xithuthuthu”.
- 3 Show learners how to write the letter u. Praise their attempts, then write a large letter on the board or in the air while saying the following: “Start at the dot, go down, round, up and down.”
- 4 Let learners practise the letter formation in the air, on the carpet, on each other’s backs or on their hands.
- 5 Once you have modelled how to write the letter, go outside and give each learner a container with water and a paintbrush. Learners can paint a letter many times in water on the paving.
- 6 Encourage learners to say the sound the letter makes as they write the letter.

#### Stella says:

*It is a good idea to have pictures when you do this activity to help learners remember the items and give them some ideas of what to say.*

## Week 2 Day 3

### Whole class activities

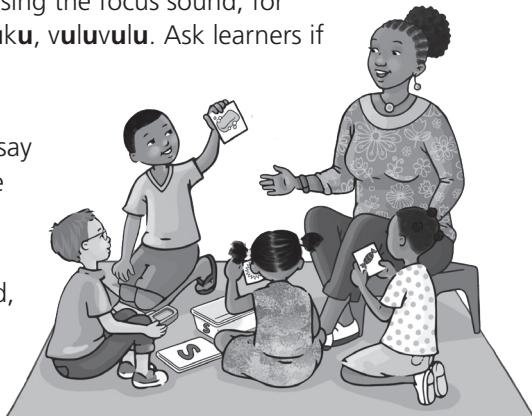

#### Learning to listen

- 1 Seat learners at tables and settle everyone down so that the class is quiet and calm.
- 2 Begin today's listening activity by saying: "Let's close our eyes and be quiet for a few minutes while we listen carefully to the sounds around us." Now tell learners to open their eyes and talk about the sounds they heard. Talk about which sounds are near or close to them (louder) and which ones are far away (softer). Tell learners that they are going to do an activity where they must listen carefully to what you say. Say to learners: "In the story about going on a picnic, Mommy packed a picnic basket full of food. We're going to play a game and think of things to put in a picnic basket. Listen, I'll start by saying: 'We went on a picnic and packed apples in our basket.' Now, we're going to go around the circle and each person will get a chance to say what they packed in the picnic basket."
- 3 Once each learner has had a turn, you can continue the game, but this time learners should try to remember what has already been packed in the basket before adding another item. Continue like this for five more items in the basket.

**Tip:** If learners struggle to think of things, here are some ideas: sandwiches, an orange, bananas, fruit juice, water, tomatoes, cheese, milk, biscuits.

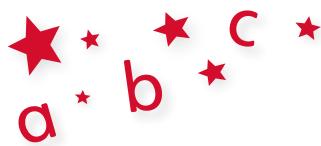

#### Letter boxes

- 1 Ask learners to sit on the mat and show them the objects and pictures in the letter box one at a time. Ask them for the names of the objects. If there are learners who speak different languages, ask them to tell the class what they call the object in their home language. Then give the word in the language of instruction. Let them hold the objects or pictures and pass them around.
- 2 Ask questions about the objects: "Have you seen one of these? What do we use this for? What colour is it? How does it feel?"
- 3 Say the names of the objects while emphasising the focus sound, for example: **kunupu**, **buruku**, **xithuthuthu**, **buku**, **vuluvulu**. Ask learners if they can hear the focus sound.
- 4 Ask learners to say the name of each object and emphasise the focus sound when they say the words. Use a mirror so that they can see how their mouths move when they make the sound.
- 5 Once learners have practised the new sound, show them the letter on the letter box and say: "This letter is how we write **u**." Let some learners trace over the letter on the lid with their fingers.

- 2 Tell learners they are now going to do a fun activity called "read and do". They must read each line and do what it says using the blank space on the page.

- 2 Choose something from the story without telling learners what you are thinking of. Then, very clearly, give learners the first sound of the word as a clue. For example: If you are thinking of a "banana", say: "*I spy with my little eye something that starts with /b/*".
- 3 Learners must look at the display for things that start with that sound. If they guess "banana" correctly, it is their turn to look for something and say: "*I spy ...*".

#### Make, draw and write

- 2 Use a piece of flipchart paper to write down learners' ideas as you discuss the invitation. Begin by explaining that when we invite people, we usually say "Dear ...". Then we can say something like: "Please come to our picnic."
- 3 Ask learners what else to write in the invitation, and let them see you writing their words. Talk about when you will have the picnic, what time it will be and what to bring.
- 4 Deliver the invitation to the person and encourage them to reply to say that they will join you for the picnic. Read the reply to learners.
- 5 Plan the picnic with learners, and on the day, let them take their packed lunches to a "picnic spot" and have a picnic.

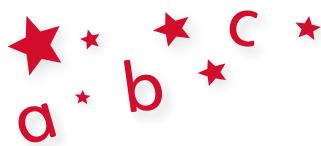

#### Blending and segmenting (syllables)

- 1 Ask learners to sit on the mat. Say one of the words from the list of multisyllabic words and model how to break it into syllables, for example: **pi | ki | ni | ki**.
- 2 Choose a learner to stand up and jump for each of the syllables: **pi** (one jump) **ki** (one jump) **ni** (one jump) **ki** (one jump). Ask the learner to jump again, and this time learners must clap for each jump.
- 3 Let learners take turns to listen to a word from the list and jump as they break it into syllables.

### Small group activities

Remind learners about the small group activities, the rules for each activity and the tidy-up process.

# ★ Teacher Akinyi

## Story

My name is Mandisa and this is my friend, Thabo. This is our teacher. Her name is Teacher Akinyi and she loves us very much. There are many different things that Teacher Akinyi teaches us.

On Monday we learn the names of different colours and shapes: "This cap is yellow, the boot is brown, the circle is purple and the orange is orange." We look around the room for more of these colours and shapes.

On Tuesday, Teacher Akinyi says: "Today I am going to tell you stories of special and important people." We have brought pictures to class so we can talk about special and important people in our lives. Thabo brought a picture of Mr Mandela and I brought the photo of my dad reading a nice story to me.

On Wednesday we learn about the kinds of transport that people use to travel to far away places. We learn about how people get to work or school. I take a bus to school. Thabo says: "I take a taxi when I go to my grandmother for a holiday."

On Thursday, Teacher Akinyi says: "Let us all go outside so that we can learn about farming and how

to plant mealies." We dig a small hole, add some compost and plant a mealie seed. I carry a bucket of water to water the mealie plant.

On Friday we tell the class our own stories. Thabo tells his story: "I had an orange in my pocket and the goat tried to steal it!" The whole class bursts out laughing: "Hahahahaha-heeheehee!"

Teacher Akinyi is the best teacher in the whole world. I love her very much. When I grow up, I want to be a teacher just like her.

***And that is the end of the story.***

## Week 1 Day 1

### Whole class activities

Say the rhyme *Two eyes to see* to bring learners to the mat for story time.

### Storytelling and building vocabulary

#### 1 Before you tell the story

- 1 Tell learners the title of the story and introduce the characters using the puppets.
- 2 Relate the story to learners' lives by asking: "*What day is today? What day will it be tomorrow? Which days do we come to school? How do you get to school?*"
- 3 Say: "*Before we begin, I want to tell you the meaning of some new words which we will find in the story.*" Before the lesson you could ask colleagues or parents how you say some of the words in the language learners speak at home. This will help learners to understand abstract words like "special".

#### 2 While you tell the story

- 1 Tell the story in a lively way and use different voices.
- 2 Do actions and make use of the puppets and props.
- 3 Ask learners what day comes after each day in the week as you tell the story. Ask them to predict what happens next in the story and involve them through open-ended questions, such as: "*How do you think Thabo gets to school? What does a seed need so it can grow well? Why do you think Thabo's pocket is torn?*"

#### 3 After you tell the story

- 1 Ask learners: "*What did you like about the story? What didn't you like? What was your best part? What questions do you have about the story?*"

### Introducing a sound from the story

- 1 Ask learners to sit on the mat and listen carefully to you. Say these words from the story: "*a, Akinyi, apula. Can you hear the focus sound: Akinyi, apula? Yes, you are right! They all have the sound /a/.*"
- 2 "*Listen carefully, here are some more words with /a/: ayisi, aka, adirese, alifabete, anama, avela, awara, ayina.*" (Emphasise the focus sound as you say these words.)
- 3 Say the sound /a/ clearly and tell learners to watch your mouth carefully.
- 4 Ask learners to say the sound /a/: "**a-a-a**". Make this fun: Say it softly, loudly, to the wall, to the ceiling and to each other.

### Small group activities

Explain that learners will be working in small groups each day. Explain and show how each activity is done and explain the daily rotation. Explain the tidy-up process.

#### You will need:

- Puppets for the story
- Music and props or pictures for the song

## Week 1 Day 2

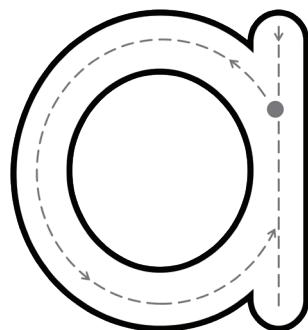

### Whole class activities

#### Storytelling and singing

- 1 Begin by reminding learners of the meaning of words that you introduced on Day 1.
- 2 Retell the story using the puppets. Ask questions as you tell the story. Encourage learners to predict what will happen next.
- 3 Tell learners you are going to teach them a new song to go with the story.
- 4 Say a few lines of the song clearly and slowly, and then ask learners to join in and sing together with you. It may be difficult for learners to remember all the words, so teach the song in parts.
- 5 Have pictures or props or do actions to help learners understand the language of the song.
- 6 Teach learners the actions for the song and have fun singing in more than one language.

#### Forming the letter

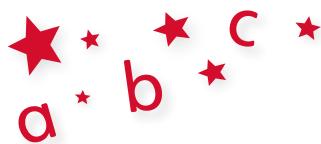

- 1 Remind learners of the focus sound. Ask learners if anyone's name starts with /a/ or if they can think of any other words that start with the sound /a/.
- 2 Teach learners an action associated with the sound. For example: Learners can make a fist with their hand and pretend it is an apple. They can say /a/ each time they take a bite.
- 3 Show learners how to write the letter a. Praise their attempts, then write a large letter on the board or in the air while saying the following: "Start at the dot, go round, then up and down."
- 4 Let learners practise the letter formation in the air, on the carpet, on each other's backs or on their hands. They can also try using their bodies to make the letter.
- 5 Once you have modelled how to write the letter, go outside and encourage learners to use a stick to write the letter in the sand.
- 6 Encourage learners to say the sound the letter makes as they write the letter.

#### Small group activities

- Puppets from the story or objects or pictures of some of the things from the story

#### Stella says:

These are useful questions to ask about each picture:

- "Who can you see?" (characters)
- "What is he/she/it doing?" (verbs and actions)
- "What else can you see?" (looking again)
- "Where is the ...?" (naming places/position)
- "Why do you think ...?" (creative thinking, expressing opinions)

## Week 1 Day 4

### Whole class activities

#### Sequencing pictures

- 1 Sing the song again.
- 2 Introduce new words from the vocabulary list.
- 3 Choose one of the sequence pictures and hold it up. Ask learners what they see, then talk about the picture in detail.
- 4 Once you have discussed each picture, stick it on the board so learners can see it. Make sure the pictures are not in sequence at this stage of the activity.
- 5 After talking about all the pictures, ask learners: "*Are the pictures in the correct order?*"
- 6 Ask learners to point out the picture for the beginning of the story. Work together to arrange the sequence of the pictures so the story makes sense.
- 7 Keep learners actively involved in this process. Ask questions like: "*What happened next? Who can remember the next part of the story?*"
- 8 When the pictures are in the correct order, invite a few learners to retell the story in the correct sequence.

#### Listening for focus sounds

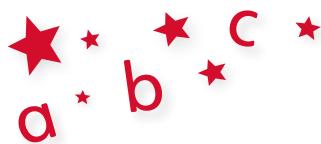

- 1 Explain to learners that you are going to play "*I spy ...*" with puppets and props from the story of Teacher Akinyi. Let them look at the displayed puppets, objects and pictures.
- 2 Choose something from the story without telling learners what you are thinking of. Then, very clearly, give learners the first sound of the word as a clue. For example: If you are thinking of the picture of "apula", say: "*I spy with my little eye someone whose name starts with /a/.*"
- 3 Learners must look at the display for things that start with that sound. If they guess "apula" correctly, it is their turn to look for something and say: "*I spy ...*".
- 4 Once you have played this game with puppets and props from the story, say to learners: "*Now we are going to play this game again, but look all around the room. Listen carefully: I spy with my little eye something that starts with /d/.* Yes, it's a desk!" Give learners a chance to look for something in the classroom and say: "*I spy ...*".

### Whole class activities

#### Make, draw and write

- 2 After the talk, write a thank you letter together to the person.
- 3 Say to learners: *"Let us write a thank you card to say thank you for visiting us and telling us a story about someone special. Can you help me make a thank you card to say how much we enjoyed listening to the story?"*
- 4 Use a piece of card or paper to write down learners' ideas as you discuss what to put on the thank you card. Begin by explaining that when we thank people, we usually say "Dear ...". Then we can say something like: *"Thank you for coming to talk to us."*
- 5 Ask learners what else to write in the card, and let them see you writing their words. Ask them what they enjoyed about the talk and make suggestions to help them express their ideas.
- 6 Read the complete card together with the learners, pointing to each word as you read. Ask some learners to draw pictures to decorate the card using crayons and then arrange for them to deliver it to the person.

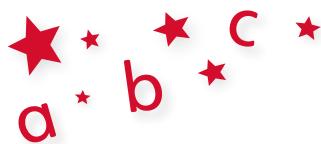

#### Blending and segmenting (syllables)

- 1 Ask learners to sit on the mat. Say one of the words from the list of multisyllabic words and model how to break it into syllables. For example: **a | pu | la**.
- 2 Choose a learner to stand up and jump for each of the syllables: **a** (one jump) **pu** (one jump) **la** (one jump). Ask the learner to jump again, and this time learners must clap for each jump.

#### Learning to listen

- Seat learners at tables and settle everyone down so that the class is quiet and calm.
- Begin today's listening activity by saying: "Let's close our eyes and be quiet for a few minutes while we listen carefully to the sounds around us." Now tell learners to open their eyes and talk about the sounds they heard. Talk about which sounds are near or close to them (louder) and which ones are far away (softer). Tell learners that they are going to do an activity where they must listen carefully to what you say.
- Remind learners of the shape of a square. Show them pictures of different size squares and mention that they learnt about squares in the story of Ali and the paint. Then show them pictures of circles. Ask: "How are they different?" (A square has four corners and a circle has no corners.) Ask learners to point out circles and squares around the room. Then demonstrate how to make a circle with your arms, and a square using your hands and forearms.
- Say to learners that when you show them a picture of a circle or say the word "circle", they must make a circle with their arms. When you say "square" or show them a picture of a square, they must make a square shape using their hands and forearms.

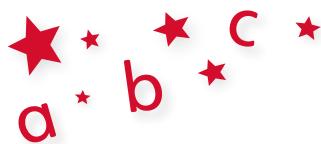

#### Letter boxes

- Ask learners to sit on the mat and show them the objects and pictures in the letter box one at a time. Ask them for the names of the objects. If there are learners who speak different languages, ask them to tell the class what they call the object in their home language. Then give the word in the language of instruction. Let them hold the objects or pictures and pass them around.
- Ask questions about the objects: "Have you seen one of these? What do we use this for? What colour is it? How does it feel?"
- Say the names of the objects while emphasising the focus sound, for example: **etlela**, **lekere**, **ketlele**. Ask learners if they can hear the focus sound.
- Ask learners to say the name of each object and emphasise the focus sound when they say the words. Use a mirror so that they can see how their mouths move when they make the sound.
- Once learners have practised the new sound, show them the letter on the letter box and say: "This letter is how we write **e**." Let some learners trace over the letter on the lid with their fingers.
